# Today's Speakers

**Brenda R. Sharton**  
Chair, Privacy + Cybersecurity  
Goodwin  
bsharton@goodwinlaw.com

Brenda R. Sharton leads Goodwin's Chambers and Legal 500 ranked Privacy + Cybersecurity practice, one of the first Am Law 50 firm practices. A "Leading Lawyers" ranked by Legal 500 for Cyber Law. Ms. Sharton has counseled on hundreds of high-profile data breach investigations and has litigated landmark privacy cases and enforcement actions including the defense of class action and government enforcement actions brought by private plaintiffs, FTC, OCR/HHS, state attorneys' general and regulators across the globe. Ms. Sharton taught one of the first law school courses in Cyber Law (2001) and continues to be a sought after thought leader.

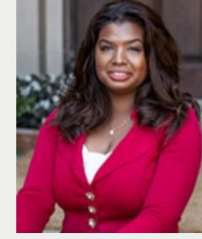

**Kowsik Guruswamy**  
Chief Technology Officer  
Menlo Security  
kowsik@menlosecurity.com

Kowsik Guruswamy is CTO of Menlo Security. Previously, he was co-founder and CTO at Mu Dynamics, which pioneered a new way to analyze networked products for security vulnerabilities. Prior to Mu, he was a distinguished engineer at Juniper Networks. Kowsik joined Juniper via the NetScreen/OneSecure acquisition where he designed and implemented the industry's first IPS. He has more than 15+ years of experience in diverse technologies like security, cloud, data visualization, and computer graphics. Kowsik has 18 issued patents and holds an MSCS from University of Louisiana.

**Jacob Olcott**  
VP of Communications and  
Government Affairs, BitSight  
jolcott@bitsight.com

Jacob Olcott is Vice President of Communications and Government Affairs for BitSight, a cybersecurity ratings company. He previously served as legal and policy advisor on cybersecurity issues to the U.S. Senate Commerce Committee and U.S. House of Representatives Homeland Security Committee. Prior to BitSight, he advised Fortune 1000 executives on cybersecurity governance and technology issues and served as an adjunct professor at Georgetown University's School of Foreign Service where he taught a class on cybersecurity. He holds degrees from the University of Texas at Austin and the University of Virginia School of Law.

**Leah Perry**  
Senior Director, Global Head of Policy &  
Policy, Box, Inc  
lperry@box.com

Leah Perry is Senior Director, Global Head of Policy & Privacy, at Box, Inc. Leah leads a global team that manages all privacy and information security law issues, as well as domestic and international policy matters. Leah has led major privacy programs, including as Chief Privacy Officer for S&P Global and Change Healthcare. She most recently served as Associate General Counsel, Privacy for Facebook, Inc. and managed a range of global privacy matters within the Legal Department. Leah received her LL.M. in (advanced) Public International Law from Leiden University Faculty of Law located in The Hague, Netherlands. She received her J.D. from University of Iowa College of Law (graduated early) and A.B. from Vassar College.
